

Kavin - Frontend Developer

Tiruppur, Tn, India | [LinkedIn](#) | 6369739241 | kavinsvkn@gmail.com

WORK EXPERIENCE

Primenuma Innovations *Frontend Developer Intern*

Remote
March 2024 - Current

- Optimized website performance by implementing best coding practices, reducing load times, and improving accessibility. Used tools like Lighthouse and WebPageTest to analyze and enhance page speed and SEO.
- Debugged and fixed frontend issues to ensure smooth navigation and a high-quality user experience. Conducted regular testing using Chrome DevTools and other debugging tools to identify and resolve UI inconsistencies.
- Designed and developed responsive user interfaces using HTML, CSS, and JavaScript to ensure a seamless experience across devices. Worked on enhancing UI components by implementing modern design principles and optimizing for performance.
- Collaborated with designers and backend developers to translate UI/UX concepts into functional web components. Regularly participated in team discussions to refine design ideas and improve user interactions.
- Taught frontend development tools and technologies to new interns, ensuring they understood industry best practices. Conducted hands-on sessions on HTML, CSS, JavaScript, and frameworks like React to help them build functional and responsive web applications.

Institute of Language Management *Communicative English Trainer*

Bangalore,In
July 2023 - March 2024

- Conducted interactive sessions to improve students' speaking, listening, reading, and writing skills in English. Designed engaging activities, role-plays, and discussions to build confidence and fluency.
- Developed customized lesson plans tailored to different proficiency levels, ensuring a structured and effective learning process. Provided feedback and personalized guidance to help learners overcome specific challenges.
- Trained students in pronunciation, vocabulary, and grammar through real-life scenarios and practical exercises. Used audio-visual aids and modern teaching techniques to enhance comprehension and retention.
- Assessed students' progress through mock tests, speaking evaluations, and written assignments. Provided constructive feedback and strategies to help learners refine their communication skills and achieve their language goals.

EDUCATION

Vellore Institute Of Technology *Master of Computer Application (online, Current)*
